

2010 Top Ten Designer
Interior Enhancement Group, Inc.
Kelly Guinaugh

Design award achieved five consecutive years

"It is no surprise that Kelly Guinaugh has been in the CDT Top Ten for five consecutive years" said Vicki Martin, owner of Chicago Design Team. "She is not only a very talented designer, but she has outstanding business skills. Her clients reap the benefit of both. When you combine this with her outgoing personality, empathy and a genuine concern for others success is inevitable."
